Welcome to diving lessons. Hopefully this will be the first stage of a long and fun career in the sport of diving.

Below are a few things to help you start smoothly in our program:

- Lessons are taught on Monday AND Wednesday, OR, Tuesday and Thursday.
- Your coaches' names are Alison or Sammy
- University policy requires all parents to sit upstairs in the stands during your lesson – please feel free to bring umbrellas for your use
- Please DO NOT attempt to talk to the divers or coaches during the lesson
- Please send your diver in a suit, tennis shoes and a towel – more than that tends to get lost and left at lost and found
- Please be on time
- Parking in the lot in front of the pool is free during the lesson – meters are FREE after 5:00 pm
- Please send your child with sunscreen already applied.

Registration:

- Send a \$50 deposit (toward your first month's fees) made out to Tucson Diving Team, along with your child's name, age and the questionnaire found at our website to:
Tucson Diving Team
5350 N. Estelle Drive
Tucson, AZ 85718
- Please indicate which month you will begin and which days you prefer (M/W or T/TH) on the questionnaire
- You will be sent a confirmation upon receipt.

Policies of the Tucson Diving Team:

- Attached is a general summer schedule which you can download. Anywhere it says "lessons" for June, July or August is your workout time. Please put it on the refrigerator and peruse it occasionally. We will do our best to adhere to this schedule but understand that occasionally things do come up.
- We offer appx. 12 lessons in a month. Any missed lessons on your part DO NOT roll over to the following month. We do not make up lessons due to bad weather.

Fees and Registration:

- The monthly fee for lessons is \$100. Please make check payable to **Tucson Diving Team** and give to a coach on the first lesson on the month.
- Please complete the lesson questionnaire for your child so that we have all of your current information on hand. You may find that at our website.
- You must also register with USA Diving (if you haven't already) (www.USADiving.org then click on "Join USA Diving" and register as a "Limited Athlete Membership") which will give your child secondary accident insurance. The on-line fee is \$12 If you have problems registering your child, please ask the coaches for help.
- Please present the form and fees to the coaches ON YOUR FIRST LESSON.
